

Return and Refund Policy

Sample/Demo Policy Notice

This return and refund policy is synthetic content created for retrieval testing and customer support demonstrations.

Cancellation Window

Customers may cancel or request a return within 14 days of receiving the goods.

Return Eligibility

To be eligible for a return:

- The goods must have been purchased within the last 14 days.
- The goods must be unused and in their original packaging.
- The customer must provide order details or proof of purchase.

Non-Returnable Items

The following items are not eligible for return:

- Personalized or custom-made products.
- Items that deteriorate quickly or are past their expiry date.
- Unsealed health, hygiene, or safety-related products.
- Items that are inseparably mixed with other goods after delivery.

Refund Processing

Approved refunds will be reimbursed no later than 14 days after the returned goods are received. Refunds should be issued to the original payment method when possible.

Return Shipping

Customers are responsible for the cost and risk of returning goods unless the return is due to an error, damaged product, duplicate charge, or confirmed support exception.

Damaged or Incorrect Items

If the item arrived damaged, incorrect, or defective, support should review the customer's ticket, request photos if needed, and determine whether a replacement, refund, or escalation is appropriate.

Support Executive Next Step

Verify the delivery date, return request date, item condition, proof of purchase, and reason for return. If the request appears eligible, proceed with refund review or replacement handling.
